The Early Start Community

If you have a young child who needs specialized care or has a disability, or if you have a concern about your child's development, there is help and support in your community!

CALIFORNIA EARLY START

The California Department of Developmental Services and the Interagency Coordinating Council on Early Intervention have information for parents and professionals about how to get help and support. For additional questions, please call the Early Start BabyLine at 800-515-BABY (800-515-2229).
